

Is London still relevant?

RKH
Specialty

\$8bn

Singapore

\$31bn

Switzerland

\$39bn

Bermuda

\$91bn

London

London's share of global markets

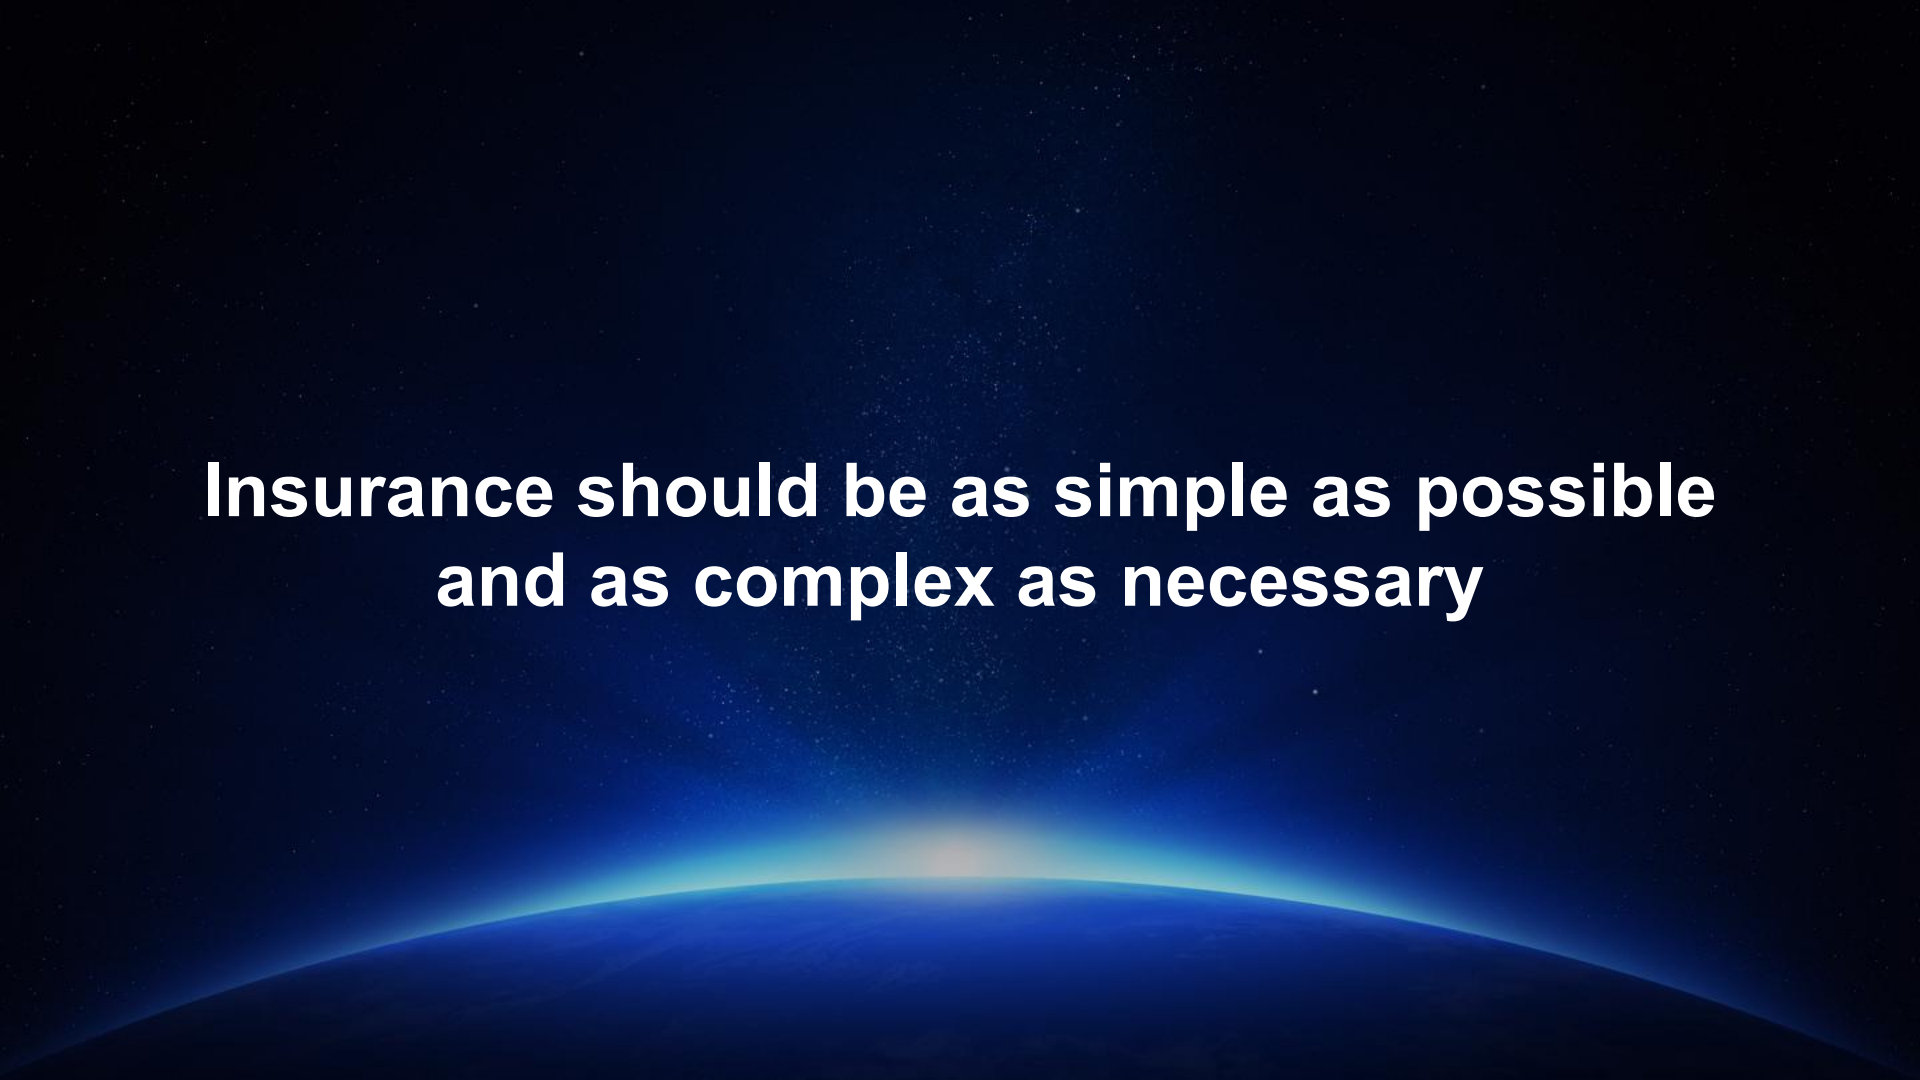

London: three global strengths

**Specialty
risk**

**Large &
complex
risks**

**New
risks**

**Insurance should be as simple as possible
and as complex as necessary**

Managing General Agent

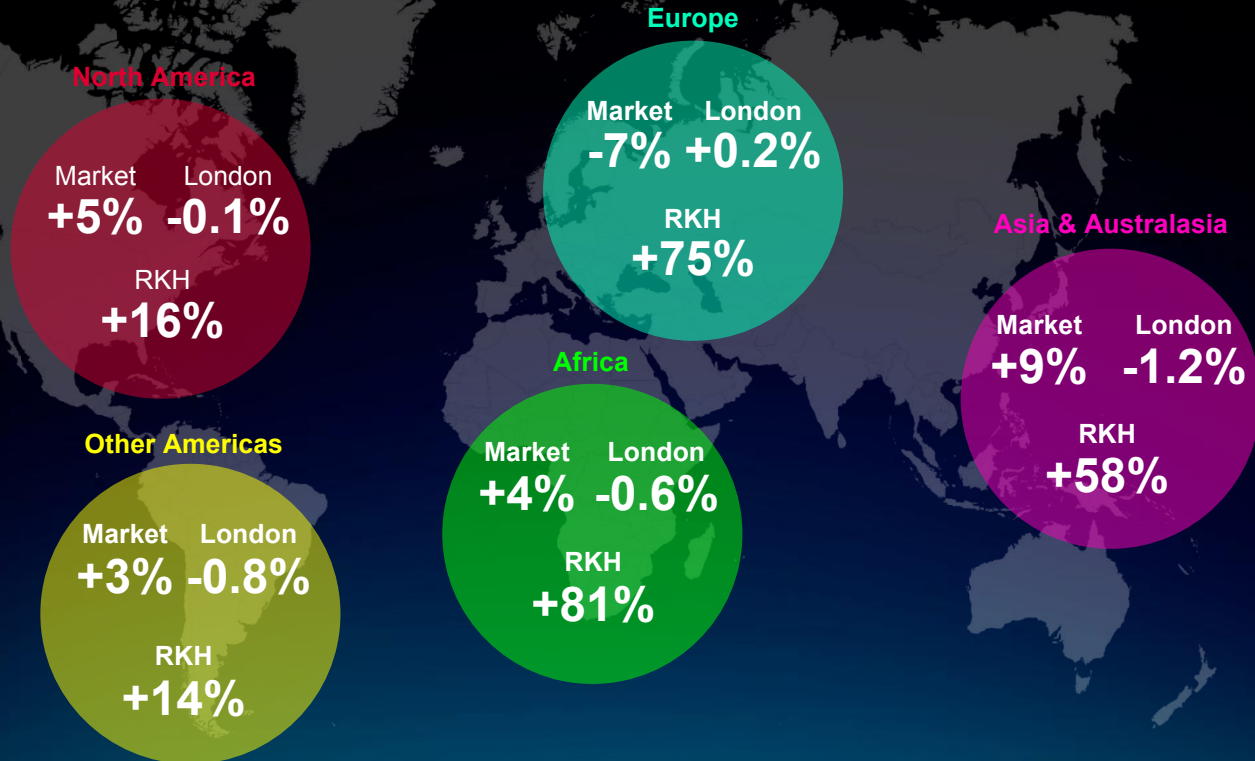

Access to global markets

Access to global markets

RKH Specialty's two year growth
